Security you can trust, protection you can feel

Our Vision

To be the provider of customized security solutions in Nigeria and beyond. We will distinguish ourselves through an elevated level of expertise in the provision of local security solutions.

Our Core Values

H E L P

Honor: Our reputation is our greatest asset; we protect it at all cost. We respect clients as we do our commitment to them. OUR WORD IS OUR BOND.

Ethics: Professional integrity is the basis of our relationship with our clients. We always deliver only the best available solution.

Loyalty: The confidence reposed in us is invaluable. We continue to appreciate and protect the trust.

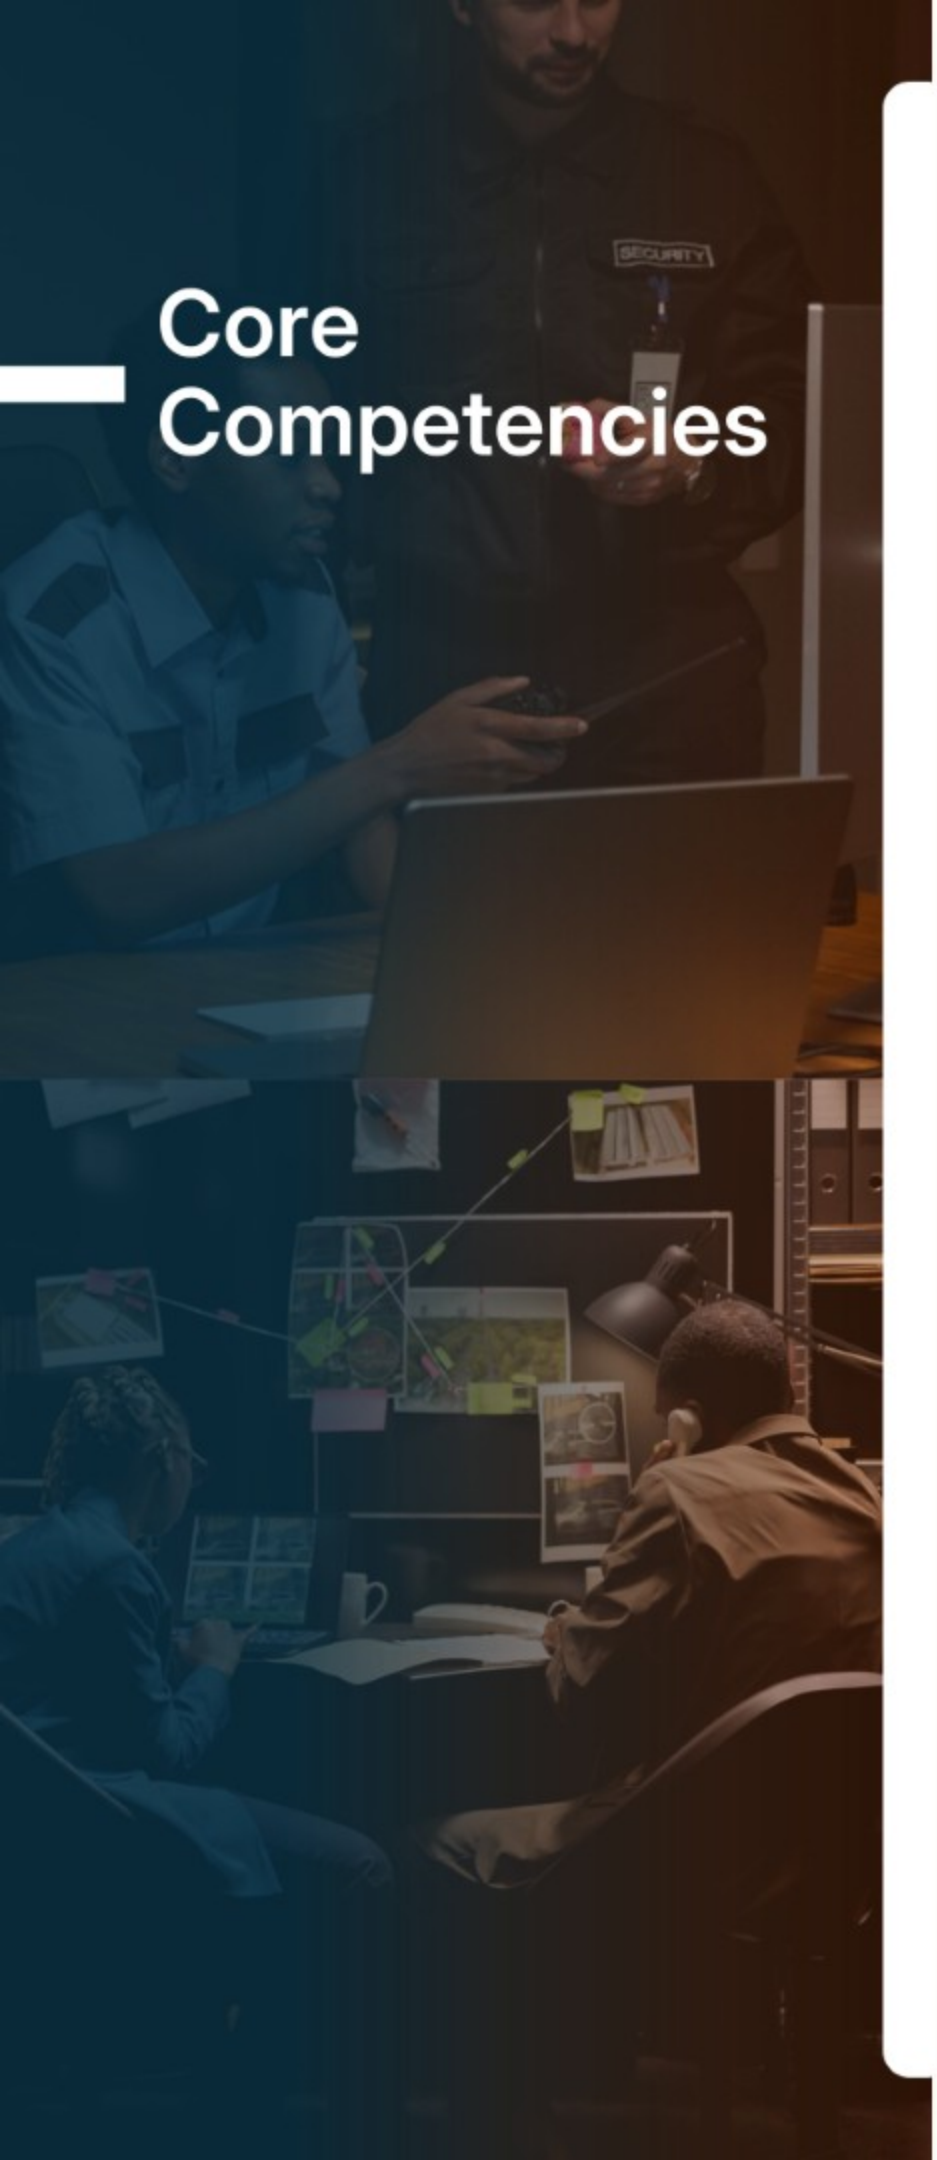

Performance: We promise only what we can accomplish, and strive to exceed all expectations, yours and ours.

About Us

Founded in 2009, Grace Worth Nigeria Limited is a Nigerian owned and operated company using seasoned and accomplished professionals to execute complex security missions, in conjunction with the host government, to mitigate risk on behalf of our clients.

Our team members have decades of experience in the security sector bringing a wealth of knowledge and experience that not all security companies are able to offer. The success of the company is based on our unrivalled ability to build and maintain successful partnerships with our customers to provide professional and reliable security services. We pride ourselves on providing highly trained personnel, experienced in dealing with the most complex of security issues.

Since our formation we have gained a reputation as a highly experienced company with a young, energetic and forward-thinking management team offering the highest level of professionalism. Our teams provide highly trained personnel, capable of dealing with the most complex of security issues.

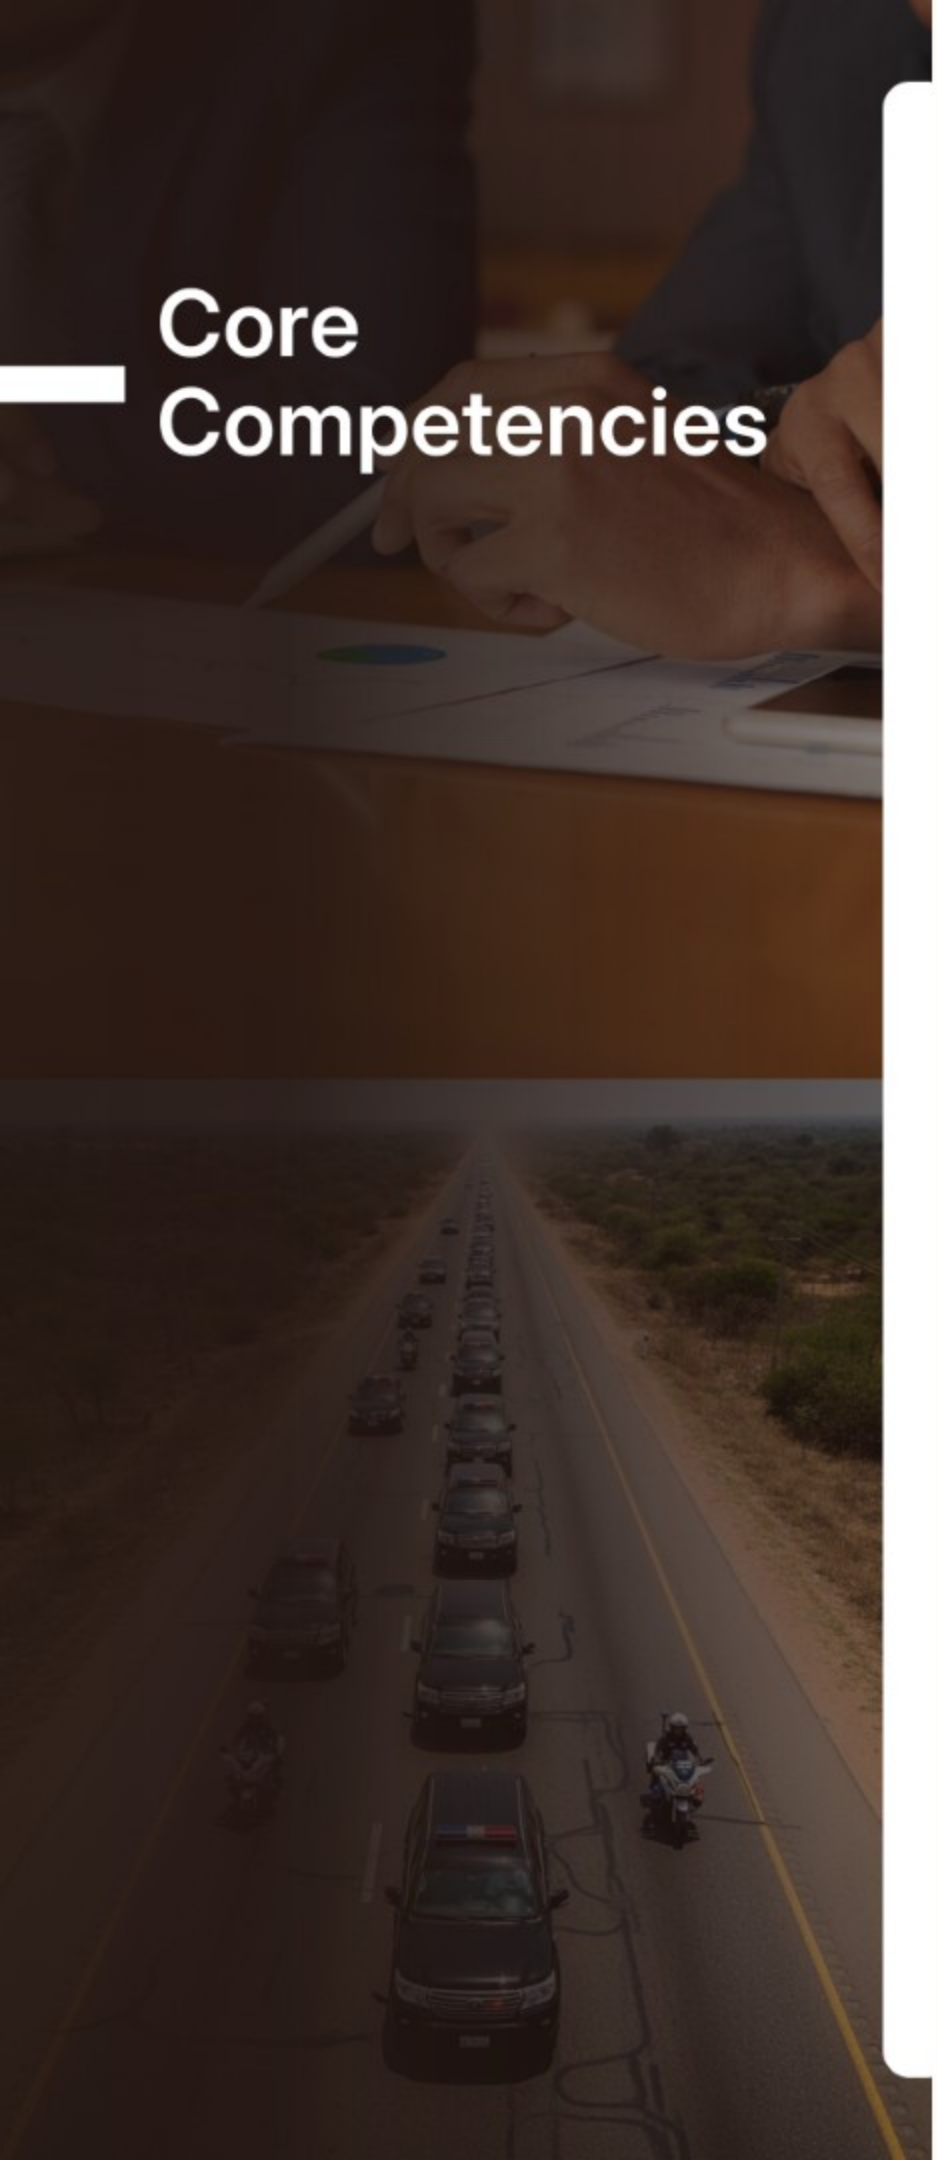

Core Competencies

Security Awareness and Training

Our security awareness sessions ensure clients and organizations are familiar with prevailing security threats. We provide clients with the skills and strategies to employ to prevent situations and respond to local threats. Our training programs comprehensively address executive protection, defensive driving, first aid, hostile environment awareness, abduction avoidance, kidnap incident management, IED awareness, crisis and emergency management, and a variety of other tasks to address the threat spectrum.

Risk Assessments and Investigations

Our risk assessment service enables customers to respond by identifying and addressing security risks and providing the ongoing support and guidance to best mitigate them. We survey sites for special events to reduce vulnerabilities. We also have the capability to conduct discrete background and general investigations, including the vetting of business interests.

Core Competencies

Program support and Consultancy

We provide peace of mind that enables our clients to focus on achieving their business objectives, rather than dealing with the worries and concerns associated security in a complex environment. Our emphasis on quality combined with an innovative and customer-oriented approach distinguishes our performance. Let us handle your security concerns so you can fully dedicate yourself to your core activities.

Executive Protection & Travel Management

We boast of a team of former Presidential bodyguards with many years of practical knowledge, skills and proven abilities in the executive protection. We maintain a strategic partnership with the Nigeria Department of State Services to provide a coordinated full range of executive protection services. Our clients include high net worth individuals, celebrities, expatriates, and staff of international companies and non-governmental organizations.
